Northern Districts Cricket Club Season Report 2008/2009

PRESIDENTS REPORT

2008/2009 will be regarded as an important year in our club's long history. Maybe not for stats or points on the board for all our grades, however there were some long term goals that began this season that could ensure a strong club in years to come.

These are the things that our club must now build on for 2009/2010 season. We have put plans in place; however the best of plans need everyone to work together. My thoughts are that I want to be here during the next 5 years to witness and be part of this club becoming a strong club in ALL grades. There is no doubt in my mind that we are closer than people outside and maybe even inside this club realise. It just requires a lot of hard work, and that little bit of luck to achieve this goal. Remember the buzz from last season in 2nd Grade and this season in 4th grade. Well this is now the standard of all grades. Each team has to have that target of finals cricket. Sure this requires some changes, however a large part of that is down to getting the same players on the park each week. Finding the commitment to turn up every week and put in for your team. This then changes the team line up for every grade from 1's down to 5's. I think everyone knows the difference it makes.

There are people in this club who I must thank for their amazing efforts this year. Luke Coleman again led the way this season in putting in some long hours down at that clubhouse. Luke is an example of how a young player can improve both on and off the field. Luke this season took on more work with not just clubhouse requirements but also learning the in's and out's of the district management. This again can only benefit the club long term to have such a dedicated player and committee member. Certainly one man who I think deserves a lot of respect from all players within this club.

Brett Buckley arrived this year fresh from maybe 10 – 15 years out of the game. Brought along from Dapto by Pat Tobin, Brett took over the reigns of 4th Grade and the rest is history as they say. Brett donated brand new cricket gear to the club at the start of the season, and throughout the season worked like a man who has been here for a lifetime and believed in every aspect of the clubs culture and attitude.

There were many guys this year that I really need to thank. Mark Rollestone took on the hardest job in the club (2nd Grade opening bat / Secretary) along with his Uni work and hard core fitness regime, still found time to provide me with great help. Adam Butcher was another new comer to the committee, and given that we as a club did not provide him with the same level of help we gave Ross Ryan, Butch has been a true find in this role. I think he may have some suggestions though on how we need to collect match fee's and season fees though! The barman, Mr. Anthony Hunt. A true barman in every sense. Always has the smile and will listen to your troubles. No doubting, Anthony has done an amazing job.

Ean Martin was selfless again in doing many jobs I sent his way. Similar was Tony McQuisten, and Mick Allen. These guys do a lot of work behind the scenes, and simply go about their work on my behalf. I use their extensive knowledge of the game in this region and their years and years of working on cricket committee's. Without them, it is very hard to know the rights and wrongs of running a club.

Northern Districts Cricket Club Season Report 2008/2009

Pat Tobin, Luke Coleman, Scott Beckett and Matt Salakas. The selectors. Pat would agree that looking after the lower grades is much more difficult than 1st & 2nd Grade. These guys have spent so much time this year stressing about teams, players, pouring over the stats, and whilst you cannot make everyone happy, I believe these guys got it right almost all of the time. The club made some tough decisions this year in regards to making way for a lot of the younger players and I must say those guys that are perhaps playing grades below where they could have understood the clubs direction and this need to promote the youth of this club. I just hope we can keep all the guys we have this year so we can keep building. Just as important as any young player, is an older, more experienced player to teach these kids how we play the game and why they should play cricket for the Butchers. This club just needs all this years players to return again and we can then continue to grow.

There were some personal highlights for me this year. One being the T20 series where Northern Districts sought out Mitchell Claydon from Durham and Isa Guha from the England Woman's team. For all involved, I can say this was a great night to be a part off. This created good publicity for the club, and we hope it also created some interest from both male & female players of all ages. Each club needs to do its bit to create interest and our job is to ensure Cricket is the first choice sport for all children in the Northern Suburbs. If we continue to look after our junior base and work together, then there will be less kids dropping out of cricket at the ages of 15 & 16. No doubt though, the work starts younger. 10 year old boys and girls are the kids our club needs to be working with alongside the coaches and parents to ensure pathways into Senior Cricket. It sounds far fetched, but the results will be evident over the next 10 years.

At the end of the day, we as a committee may not get everything right, but the players & parents need to know that when we make decisions and put strategies in place, that we are doing it with the best interests of the game and the future of Northern District's Cricket Club at heart.

Cheers,

Neil Ryan
El Presidente

Northern Districts Cricket Club Season Report 2008/2009

1ST GRADE

Lets be honest 08/09 will not go down as one of the greatest for the Butchers in 1st grade on the field but being an optimist I can find plenty of positives still. The club as a whole is strong with some great people in charge and as long as you have this area right we are in the right position for the future.

Before I go any further congratulations must go to 4th grade for a great season and I think next year all our lower grades will be dominating the comp.

First grade started the season well but were on the wrong side of some unfortunate results which can lead to a lack of confidence. However a good win against University followed and all looked promising however it was all downhill from here. A lack of consistency and the inability for the team to all play well at the same time hurt us dearly. Our batting was up and down all year and we often followed a good partnership with a major collapse. At the same time our bowling was not as reliable as it has been over the last few years and our fielding was not at a 1st grade level.

In saying all this there are positives to be taken from the season. A couple of players stepped up and have shown they are more than capable of being regular 1st graders. Obviously the main one was Jamal Banfield. Jamal started the season hoping to cement a 2nd grade spot but ended up our most consistent performer. His debut performance against Oak Flats in the Country Cup was outstanding and he never looked back taking a hat-trick against Uni.

The other player I feel that has stepped up is Mark Cottom; Woody has performed consistently at the top of the order and provided a stable opening partner. He also had the ability to break partnerships with the ball.

A couple of other younger guys have shown they have the ability to play 1st grade but just need to become more consistent, however this will come for guys like Lee Turner, Hugh Fullagar and Matt Salakas. Patience is vital, I know as I only become a first grader at the age of 30.

The one thing that was really pleasing for me was the ability to give a taste of top level cricket to 5 of the U/16 team and while none of them found it easy they all realise that with time they are more than capable of playing at this level. Also for those guys who never made it to first grade this year there will be big opportunities in the years ahead for such a talented group and just remember you can learn a lot more playing lower grades than playing 1st grade before you are ready.

Finally I would like to thank all the team for the effort despite the poor results, and in the words of a great, slightly laid back Butcher, We should have finished 7th.

Scott Beckett

Northern Districts Cricket Club Season Report 2008/2009

TWENTY/20

Northern Districts were pooled with Kiama, Helensburgh and Lake Illawarra in this seasons T20 Tournament. Round 1 away was a farce when times were misread and we arrived barely on time and the umpires threatening to forfeit ND. Not an ideal start and we batted accordingly. A poor result, and Kiama easily made the runs. Jamal Banfield bowled well, and Neil Ryan top scoring with the bat.

Game 2 against Helensburgh and the Butcher's secured the services of Camden Campbelltown Ghost Mitchell Claydon. Mitchell also plays for Durham in the English County Comp. This was certainly a highlight for those involved to see a player of his calibre perform. Mitchell was sheer pace and had the Helensburgh boys jumping all over the place. The Burgh made 148 with Lee Clouten taking 3/36 of his 4 overs. Northern Districts took the fight to the Burgh, but fell short making 8/140 with Claydon knocking a blitzing 36 with 3 sixes. Hugh Fullagar compiled a marvellous 38 with a multitude of T20 shots.

Game 3 and the Butcher's secured the services of Isa Guha, the Woman's England Seamer. Northern Districts players would again say that this was a great experience and certainly opened the clubs eyes to acknowledging the skills of these players. Preparation, desire & skill were on display when Isa, Holly Colvin & Lydia Greenway all took the field for different teams that night. Lake Illawarra made 7/139 with Isa snaring 4/22 of her 4 overs & Neil Ryan 2/20 of 4 overs. Scott Beckett then blazed a majestic 55 of 40 balls, but the Butcher's lost critical wickets in the middle order. Lee Clouten & Neil Ryan almost getting the guys home, but falling just short.

A great night and Northern Districts certainly did their share for pushing the T20 barrow in the Illawarra. All in all, not the greatest success with the results, but no doubting a greatly enjoyable T20 Competition. The club is certainly learning more & more about the best ways to play this style of cricket, and can look to the last 2 games to see the marked improvement in both areas. This is certainly a format where cricketers from almost any grades can compete in this arena.

UNDER 21's

The whole club went into the tournament with bucket loads of confidence knowing the youthful talent that the u21's team possessed. The captain was Hugh Fullagar and vc was Lee Turner.

Thumping Balgownie in the 1st game by 6 wickets and with a no result in the 2nd they went into the last game needing only a competitive result to see them through to the final. Alas they were skittled at Hollyrock park by Keira, a poor batting display seeing them miss out on the final by the smallest of margins.

Despite the sides disappointment there was an array of positives to come from the games, such as Lee Turners bapptacular batting, Jack 'The junior cougar' Daskey and Jed 'The novelist' Austin showed the immense potential they possess and Jamal Banfield was his usual Salakas-hating self in claiming a bag of wickets. HWSNBN showed why he is one of the more daunting all rounders around and a highly underused bowler with a devastating 2 ball spell into the wind.

The atmosphere at each game was tremendous with a plethora of Butchers lending their vocal support, which was much appreciated by the guys displaying our immense club spirit. Though the result was disappointing, one can clearly see that the effort put into a youthful policy is beginning to pay off, with the majority of the team to return next year in the tournament. Special mention must go to the recently departed Clouto who managed to coat half the team's bags in beer after the Bally game and above all it shows how much the enjoyment of playing must have counted for something, given the fact that Chris 'Give me A beer' Browndog turned up sober to every game!

Northern Districts Cricket Club Season Report 2008/2009

2ND GRADE

This season goes down as such an important season regardless of results. I remember thinking prior to the first game, just how many new faces this team would see before the season finished. 27 players played 2nd Grade this season for the Butchers. This gives you an indication of the turn over of players we had.

Being the defending premiers brought both expectation from within regarding results and also renewed enthusiasm from the opposition trying to knock off the defending premiers.

Making their debut's this season were Eric Denhartog, Jack Daskey, Jackson Stewart, Jed Austin, Toby English, Jacob Hand. Add to that last years players Rhys Marsh and Geordie Crawford. The club has a strategy that at any one game in 2's and 3's there would be a minimum of 3 Juniors in those grades. At times this season we went into games with 5 or 6 Juniors in a game, and not once did these guys let us down. The injection of youth & enthusiasm has a great effect on a team and the senior guys have thoroughly enjoyed being part of these guys induction into senior cricket.

On the back of last year it was always going to be hard to mirror that season. Players like Ean, John Robinson and Murph were into 1st Grade and we didn't really have an out and out keeper. Step up Chris Brown. Now Mr. Brown is one man who I would really like to single out for an exceptional season. Chris took on the role of keeper whenever required and I don't think he ever dropped a catch. He may have dropped a few in between, but by & large he did a great job for the team. Chris also grew as a # 4 batsman this year. Providing the backbone for our line up. His attitude towards cricket has also seen Chris get back to enjoying the game and I can see Chris growing into a very important player for this club for years to come. Later in the season, Jacob Hand took over as keeper and definitely has a bright future ahead.

Another man I really enjoyed seeing grow as a player in this club was Mark Rollestone. Rollo came into this season maybe a little uncertain of his role in 2nd Grade. Was he a bowler, was he an opening bat or should he bat down the order? Well Rollo is certainly a bowler, and whilst in the past there were limited expectations as far as overs bowled or wickets, this season Rollo became our spearhead when we lost Rob Sheeley to injury. Mark pushed himself further this year and his stats reflect that with 23 wickets at 13.43. Congrats Mark on what I hope is a breakthrough season for you.

Jack Daskey was another important cog in this team and I think this season was an important one for Jack in that he made his 2nd Grade & 1st Grade debut, taking 27 wickets at 16.81 (all grades). A sensational effort that underlined his importance to this team.

By seasons end, we were playing good cricket and did have the ability to challenge for the title. Unfortunately we missed the semi-finals on a count-back and the smallest of margins 0.0004. When it gets that close you need some luck and we didn't have any.

In summation, we did not have the successful season we had planned. We had loses which we know we shouldn't have had and didn't have any 12 point outrights to catch-up. We did get the chance to blood some of our juniors into 2's and this creates an exciting time for NDCC as these guys have the ability to challenge for 1st grade spots. A 1st grade spot is not an expectation it is something that is earned and this is only ever granted after success in the lower grades. The future at NDCC looks good but this will not happen on ability alone, commitment to training throughout the off season is a priority for 1st grade aspirants.

Thanks to all involved in the committee in getting us on the field, thanks to our many supporters, including parents, for their efforts and we look forward to future success.

Northern Districts Cricket Club Season Report 2008/2009

3RD GRADE

Looking at the final 3rd grade table, it is difficult to believe we finished 7th. There are plenty of good things to come out of this season, and the focus of this report will be on the positives delivered.

The table also shows we finished with the 4th highest quotient – I guess this indicates that we were competitive throughout the season.

From a team perspective some of the highlights were;

- The outright wins over Port Kembla and Wollongong
- Almost getting another outright vs Balgownie in one day.
- 7 for 221 vs Keira in Round 1 (Keira made the GF)
- 2 for 226 when rain stopped play, chasing Corrimal's 252 in Round 12 (Corrimal made the SF)

I would like to thank everyone that represented 3rd grade throughout the season. Everyone who played gave 100% to the team.

I would like to acknowledge the efforts of some of the regulars in the team (in no particular order).

Pat Tobin was the heart and soul of the third grade team. His best innings was his 81 against Wollongong, where he had a big partnership of 131 with Jackson Stewart, but also made good scores against Dapto and University who were the best teams in this grade, He filled in on many occasions as captain, and also did a great job as selector. He is a great asset to our club.

Luke Coleman was the other third grade selector, and does a lot of great work for the club. On the field, he has transformed himself into a very capable opening batsman, with two big scores of 105 no vs Corrimal and 80 vs Balgownie in a row.

Aaron McRae is a young batsman who I believe has a wonderful future. For the club he scored 446 runs with four scores above 60. He was very elegant at the crease, scored consistently and ended with a 3rd grade average of 42. He was also very talented in the field, and did a great job as wicket keeper too for the last few games.

Jackson Stewart is another junior batsman with a big future for our club. He has a very solid technique, and once he gets started he is very difficult to get out. He averaged 57 and made over 80 not out twice. He is destined for even bigger scores than this in future.

Cameron Bell was a very good performer with both bat and ball. He scores quickly and consistently. He finished with an average of 24 with good scores against most of the good bowling lineups. Bowling off spin he also had some great games, including 5 for 19 versus Dapto who were one of the strong teams. Cameron has a great cricket brain, and if his bowling keeps developing, he will become a very good all rounder.

The way Jacob Hand keeps, it is difficult to believe he is still also in juniors. He also showed he is very good batsman, his 42 not out versus Wollongong was great to watch.

Once again Adam Anderson has had a great year for third grade. He knows his own game very well, and is very skilful with bowling to his strengths.

Northern Districts Cricket Club Season Report 2008/2009

Matt Benstead gives everything he has when playing cricket, and can be very proud of his contribution, especially is 5 for 39 vs Corrimal. Thanks for all your efforts Killer.

Ant Sheeley came into third grade midway through the season, and had a very positive impact on the younger players. I don't think it is a co-incidence that he joined the team as we started to turn in some more consistent performances after Christmas.

Ant Hunt was another valuable regular member. I can't remember him bowling badly in a game, and made significant contributions. He also batted in nearly every position in the lineup. Thanks Huntsy, I appreciated your efforts.

Lewis Wilson can be anything as a bowler. He is big strong and fit, and when his rhythm is going, he can be devastating. His 5 for 31 vs Port Kembla was one of the bests spells of the year.

Once again, thanks to all who played. I would also like to thank all the committee for their great work. I appreciated the opportunity to captain a side for the 1st time. I would also like to thank Sue for letting me go around again !

The way we finished off the year showed we have plenty to build on for next season. Here's hoping to see everyone back for another season of Butcher cricket.

Peter Cleaves & Pat Tobin

Northern Districts Cricket Club Season Report 2008/2009

4TH GRADE

This season has been an eventful year for the Fourth Grade side. Starting with back to back heart breaking 1 run losses, and ending with a 2 run loss in an outstanding effort in the semi final. It's hard to be disappointed with what we have achieved this season.

Some of the highlights of the year from my perspective:

- The quality juniors that I had the pleasure of playing with this season. With the likes of Rob Murphy, Jason Wilson, Jed Austin, Jacob Hand, Lachlan Dunn, Aaron McRae and David Bailey all having played 4ths at different stages throughout the year, the future is certainly bright for Butcher Cricket!
- Adam Van Wijk growing as our number 3 batsmen. Adam amassed 239 runs at an average of 17.07 and was a stabling influence in our run to the semi finals.
- We had 3 separate bowlers take 5 wickets in an innings this year. Another 4 bowlers took 4 in an innings, and amazingly a further 3 bowlers took 3 wickets in an innings. With statistics like these, it wasn't hard to work out that we were a side very confident with ball in hand.
- Prior to the semi, we had not conceded a score of more than 80 to an individual batsman!
- We had 7 different batsmen bring up 50's during the year.
- Jeremy Lum finding a home at the top of the batting order. His 90 in the semi was pretty to watch and was full of determination. Lummy finished the year with 224 runs at an average of 20.36
- Only losing one game after the Christmas Break, giving us the luxury of securing a semi final berth regardless of the outcome of our last game.
- Only being bowled out twice all season
- The only score of more than 200 we conceded was in the semi final, in fact we only gave up 160 or more 3 times all year!
- The fact that all sides commented about the positive way in which we played the game.

Special thanks must also go to Matt Craig, Dean Martin and Gary "Spider" Neilson who were extremely unlucky not to be selected in the semi final side. It's unfortunate that not everyone could make the side, but the efforts of these 3 all season is to be commended.

I would also like to thank David Joinking for efforts throughout the year. Work commitments curtailed Djs ability to train, caused him to miss several games and had to retire hurt to get to work in others. DJ scored 230 runs at an average of 28.75. His cricket brain, combined those with of Deano, Spider and Greg Martin made my job as skipper that much easier.

I also want to thank the selection committee for their efforts throughout the year. Selectors are often berated but never fully appreciated!

Lastly, I wish to thank all the players that took the field in sky blue and white in 4th grade. As a side, we achieve something that a lot of us didn't think we could. The roll that we got on at the end of the year was due to the hard work, determination and Butcher spirit displayed by each and every player. We played hard for each other and the club, and should be proud of season 2008/2009.

However, more importantly we should be able to build on this year and have the desire to go a couple of steps further in 2009/2010!!!!

Brett Buckley

Northern Districts Cricket Club Season Report 2008/2009

5TH GRADE

This year it has been a real enjoy to play and captain this bunch of guys in 5th grade. Although we did not finish as high up the table as we would have liked, everyone that played in 5th grade this year always put in 100%. Regardless of the fact that we did not make the finals this year there were still a number a great performances on the field.

This started early in the season with Gary Neilson (Spider) hitting a great ton opening the batting against Dapto. Although we did not go on the win this game Spider's ton gave as a great start, where we only just fell short of betting one of the best teams in the comp. Along with spider being solid at the top of the order for us, Mark keefe, Brett Pincham, Shaun Helt and Sam Gilkes all played a roll up the order throughout the year. This was followed by a fighting middle order including Jon Lowe and Scott Perkiss to hold the inning together, closely followed by big hitters Greg Martin and Matt Craig. Finishing with the always reliable Simon Gilkes to hold the tail together

One of the best wins for 5th grade this season was against uni white down at Dalton Park. This game was full of highlights for the butchers. With the guys getting off to a great start with the bat setting a great total for the bowler to bowl at. With Sam Gilkes getting us off to a flyer at the top of the order, batting the only way he knows how, along with Jon Lowe in the middle order hitting a quick fire half ton. But the highlight of the inning would have to go to Greg Martin who come out and hit 3 6's in his first over. When it come to our turn in the field the quot "catches win matches" could have been more true in this game with a number of screaming catches being taken, with the highlight having to going to Clarry taking a catch deep in the outfield, which he never looked like dropping. The only low light of this game was the fact that we lost our score book at this game, so no personal stats were recorded for this game.

Our bowler also need a mention for some great performances throughout the year, with our regular opening bowlers of Jon Lowe and Shaun Helt always putting us on the front foot throughout the year, before the experience of Clarry Cook would come on to keep the batsman quiet. Also with a number of spinners in the team to choose from, including the likes of Gary Neilson, Brett Pincham and Scott Perkiss left the batsman at times with no idea.

It was also encouraging to see a number of juniors, getting there chance to play grade cricket in 5th grade this year. These junior which include Jason Wilson and Ryan O'hara performed extremely well at different stages throughout the year with both Bat and ball and would most of time put us in a strong position to win these games. It is going to be really exciting to see these player improve and hopefully stay on with the club and one day be playing in the higher grades.

Also thanks has to go out to those players that fill in over the year when we were short of players, although some of these guys had never played cricket before they still come, and put in for the team, with Sammy and Currie both taking screaming catches and entertaining the team with there batting in there two games for the club. Also Serge Pincham who started out filling but soon become one of the core players of the team. Hopefully we will see all these players back next year playing every game.

I would like to just thank all the players for there efforts throughout the year, and hope to see everyone back for the 2009/2010 season.

Adam Butcher
